Karen,

Based upon the Item 21 template – I have completed the pre-work on the second Category 2 application for SW Dubois – Southridge Middle School.

Below are two screen shots that provide the information associated with this filing.

The second screen shot show the remaining balance that could be expended in FY 2016+ for the facilities.

If you can assure me that the acceptance letter from SW Dubois for the NSG proposal I have received/Item 21 template will be dated 4/13/2015 – and if you agree with the information contained below – I can certify the application today.

Given the information from the colored spreadsheet below:

Total expense of Second SW Dubois - C2 filing: \$24,570

With 70% Erate discount – E-Rate Pays: \$17,199

SW Dubois would pay: \$7,371

Just let me know.

Thanks
